

StemFlo® is proprietary blend of herbs and all natural ingredients that support optimal blood circulation by reducing oxidative stress in the blood, detoxifying the blood and improving overall blood flow.*

StemFlo is especially designed to support the delivery of stem cells, nutrients and oxygen, as well as immune cells, to all parts of the body.*

When used in conjunction with **StemEnhance**® and **ST-5 with MigraStem**™, **StemFlo** optimizes the body's ability to release and deliver adult stem cells to the tissues and organs where they are needed.*

StemFlo® Es una mezcla exclusiva de hierbas e ingredientes naturales que apoyan una óptima circulación sanguínea al disminuir el estrés oxidativo en la sangre, desintoxicando la sangre y mejorando el flujo sanguíneo en general.*

StemFlo está diseñado para apoyar la distribución de los nutrientes y oxígeno, así como las células inmunes a través de todo el cuerpo.*

Al utilizarse conjuntamente con **StemEnhance**® y **ST-5 con MigraStem**™, **StemFlo** optimiza la habilidad del cuerpo para liberar y distribuir las células madre adultas a los tejidos y órganos en necesidad.*
